

Dear Parents and Skaters,

The 2018 Ice Show—It's Magic Around the World—will offer skaters, from toddlers to advanced levels, an opportunity to exhibit their skating skills while having fun and working with others to put on an exciting and wonderful show. Come skate the globe with your favorite Disney characters from Pocahontas in America to Mulan in China and many countries in between!

All skaters registered for the Fall or Winter sessions of Skate School and skaters who are members of the Eden Prairie Figure Skating Club are encouraged to participate in the Ice Show.

One of our biggest goals is to create an exciting skating event for everyone involved from the registration process all the way through the final show. Please pay close attention to BOTH the Registration Forms AND the Costume Sizing Form and contact us with any questions. The registration fee covers 4-5 rehearsals and coaching instruction. The costume fee covers the cost a professionally made costume that the skater will get to keep. The prop fee helps contribute to the overall show experience (props, backdrops, etc).

Registration packets are available at the EPCC Front Desk, Skate School, and on the Eden Prairie Figure Skating Club website (www.edenprairiefsc.org).

IMPORTANT DATES TO REMEMBER:

November 15	Registration opens (sign up when you register for Skate School)
December 9	Registration closes
March 4	Picture Day
March 5	Rehearsals begin
March 23 - 25	Ice Show

A parent/guardian for every skater in the Ice Show will be expected to volunteer in some capacity. It takes many volunteers to put on the annual Ice Show. More volunteer opportunity information will be provided in January.

I look forward to seeing your child in the Ice Show. If you have any questions, please talk to me during Skate School sessions or email me at epfsciceshow@gmail.com. You can also check the Eden Prairie Figure Skating Club website for updates at: www.edenprairiefsc.org.

Thank you,

Beth Nilsson
Director, 2018 Ice Show

Eden Prairie Ice Show Costume Sizing Form

Skater's Name: _____

COSTUME GUIDELINES:

1. Each skater is responsible for taking their own measurements and understands that they are responsible for any size alterations that are needed.
2. Costumes cannot be returned or exchanged for different sizes. It takes 12-16 weeks to receive the costumes. **Please measure carefully!**
3. It is much easier to alter a costume that is too big than to try and fix a costume that is too small.
4. When in doubt, choose the size that most closely matches the skater's girth measurement.
5. Please fill out ALL THREE sizing charts. Costumes are ordered from several vendors, each with their own size chart.

Please be assured that we will review each form and size and will call or email you with any questions. Thank you.

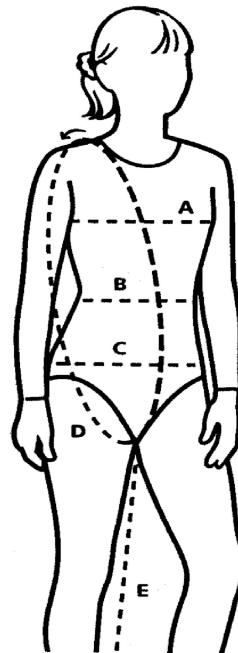

PLEASE FILL OUT MEASUREMENTS ON BACK OF FORM

IMPORTANT: If registration, sizing & payment is not received by December 9, skater(s) will not be able to participate in the Ice Show!

Measurements:

- Remember to wear a leotard, swimsuit or undergarments when taking measurements, not street clothes.
- Find your measurements on the size charts to find the appropriate size. If the bust size and hip measurements do not correspond with a particular size, the girth measurement should be used as the deciding factor.

- CHEST:** With arms relaxed down at sides, measure around the fullest part of chest, keeping tape measure parallel to the floor.
- WAIST:** Measure around natural waistline, the narrowest part of the upper body (not over shirt or pants).
- HIPS:** Measure around fullest part of the lower body, keeping tape straight and parallel to the floor.
- GIRTH:** Measure from the center of one shoulder, down the front through crotch and up back to starting point. **This is the most important measurement in determining costume size.**
- INSEAM:** Measure inside of leg, from crotch to below the anklebone.
